- 1) The progress on the action plan 2021-22 was reviewed and it was found satisfactory.
- 2) The proposal regarding signing of MOUs for Dry & Electronic Waste Management was discussed and it was decided to pursue the matter with the agency i.e. Green Dream Foundation.
- 3) It was unanimously decided to expedite the process of the registration of College Alumni Association.

Following plan of action was decided for the session 2022-23:

- To ensure the organisation of First Alumni Meet after due registration of the body.
- To conduct placement drives for UG/PG students.
- To organise programme related to financial management/auditing/financial restructuring for teaching/non-teaching staff.
- To organise E-waste collection drive to promote environmental awareness among students & society.
- To conduct programmes pertaining to revised assessment and accreditation process.
- To sign MOU regarding training of students for better job opportunities with the government approved agencies.
